

HOW WE CLEAN GUIDE

CARPET CLEANING

- ✓ A thorough pre-vacuum with an industrial strength Kirby.
- ✓ A general spot & stain treatment.
- ✓ We then use a rotary machine with a dry cleaning fluid that contains Healthguard to remove the germs & bacteria & a conditioning rinse that leaves the carpets softer & residue free, therefore carpets stay cleaner for longer.
- ✓ Your carpets are dry enough to walk on straight away & you receive a 14 day satisfaction guarantee.

UPHOLSTERY CLEANING

- ✓ We use a colour fastness test to make sure that none of the colours will run then pre-vacuum the lounge all over & pre-treat it with a dry-cleaning solution to break down the oils, grease & body fat in your lounge.
- ✓ A PH neutral cleaning solution is used that contains Healthguard to remove the germs & bacteria.
- ✓ This is followed by a hot water extraction clean to suck out the oils, stains and cleaning solutions. The lounge suite will be damp for 4 - 8 hours depending on the weather & the type of fabric. As always you receive a 14 day satisfaction guarantee.

LEATHER CLEANING

- ✓ An inspection to check the condition of the lounge & a colour fastness test is performed to ensure that the lounge is suitable for cleaning & that the colours will not run.
- ✓ Cleaning solutions are applied with a gentle brush to remove excess dirt & grime & open up the pores of the leather.
- ✓ Leather conditioner puts the oils back in and is applied much the same as polish to a car & then buffed off.
- ✓ Leather protector is then applied to soften & revitalise the leather then buffed again to remove any residue & to give the leather back its original shine and softness.
- ✓ As always you receive our 14 day satisfaction guarantee.

MATTRESS CLEANING

- ✓ An inspection is carried out for any spots or urine contaminations.
- ✓ Then it's a thorough deep industrial strength vacuum using a new HEPA filter all over including 4 pillows.
- ✓ All areas affected by body sweat are cleaned with Dry solve E which removes the body oils.
- ✓ The Healthy Mattress Solution is applied to remove the germs, dust mites and bacteria leaving a pleasant lavender scent. The Healthy Mattress solution will be effective 6 months keeping the dust mites and nasties away.
- ✓ Any sweat/water staining in the mattress and pillows is treated with our mattress and pillow stain remover to remove or minimise staining.
- ✓ The cleaning process only takes around 30 mins & is safe to sleep on that night after 4 hours drying time You can Restezy with our 14 day satisfaction guarantee.

*Blood or Urine stained mattresses require our deluxe mattress service and does take longer and incurs extra charges
