

SOLV SEALER PRO

PRODUCT DESCRIPTION

- ✓ Solvent based, penetrating sealer.
- ✓ Formulated for protection of porous tiles, grout and stone.
- ✓ Premium protection against oily stains and water contaminants.
- ✓ Sealing polished porcelain.

FEATURES AND BENEFITS

- ✓ Provides premium protection for up to 5 years.
- ✓ Protects against food & beverage stains, oil spills, mould & efflorescence.
- ✓ Will not change the appearance, slip characteristics or colour of the surface.
- ✓ Ideal for dense substrates such as granite, polished porcelain, marble and grout.

DIRECTIONS

Solv Sealer Pro is flammable. Read safety directions before use.

Do not dilute.

Apply sealer generously and allow surface to absorb over 5 minutes.

Remove residual sealer with absorbent towelling.

Repeat application for maximum protection. Requires 24hours to cure.
