

T&G SEALER PRO

PRODUCT DESCRIPTION

- ✓ Water based, penetrating sealer. Non-flammable. Green Star approved.
- ✓ Formulated for protection of porous tiles, grout and stone.
- ✓ Premium protection against oily stains and water contaminants.
- ✓ Sealing grout and porous tiles.

FEATURES AND BENEFITS

- ✓ Provides premium protection for up to 5 years.
- ✓ Protects against food & beverage stains, oil spills, mould & efflorescence.
- ✓ Will not change the appearance, slip characteristics or colour of the surface.
- ✓ Ideal for porous substrates such as marble, limestone, bluestone, sandstone and concrete.

DIRECTIONS

Do not dilute.

Apply sealer generously and allow surface to absorb over 5 minutes.

Remove residual sealer with absorbent towelling.

Repeat application for maximum protection. Requires 24hours to cure.
